

X-keys® Big Buddy Button Switch Specifications

for XK-A-74GR-R, XK-A-74RE-R, XK-A-74YE-R

- Perfect for use with the X-keys USB Switch Interface
- Rugged design for Assistive Technology or industrial application
- Trigger computer commands with finger, toes, knees, or elbows
- Available in blue, red, green and yellow

The X-keys Big Buddy Button Switches offer a rugged button to work with our X-keys USB Switch Interface. The three different colors allow you to customize and assign based on your needs, and the rugged design is perfect for Assistive Technology or industrial applications. This is perfect for mouse click, key press, or other operations where a momentary activation is required.
